

A Little Something I Wrote...Well, No, Not Really, I Am Just Bringing It To Your Attention

Okay now I am just being lazy, but I also think this is hilarious. I am sorry I am pushing my humor on you...but everyone is now sending me stuff they find funny, which then I find funny and want to share with you.

Isn't it odd how if you find something you think is funny, and share it, it is like you wrote it or are responsible for it in some way.

Well here is "Flight of the Conchords" (which I want to be credited for bringing to your attention, but am in no way responsible for)
