

Broughton Quarterly is out Dec 1st

The New Broughton Quarterly is out on Dec 1st. This is the first issue with me as the Style Editor, so look for lots of clever remarks, bossiness and obscure references.

We shot the fashion spread in the living room of our Irvine house. Aaron Smith, The Creative Director, was patient with me as I straightened and puffed.

I think it turned out pretty good as my first shot, but it was much more difficult than I expected.

(Doesn't Elise look pretty?)

More little teasers about the issue to come...If you don't receive BQ (that's what we call it on the "inside," BQ) please email me through my About Page above (I have fixed the problem I had with it) or leave a comment and I will contact you to get you on the mailing list.
