

'Butterflies and zebras and moonbeams and fairy tales'

Emily and I fooling around today on the lawn. This song came on in her room as she was falling asleep and I was editing the photo. It's like a child's lullaby when you look at it that way and if you know Emily, it's the perfect song for her.

Little Wing

Well she's walking through the clouds

With a circus mind that's running round

Butterflies and zebras

And moonbeams and fairy tales

That's all she ever thinks about

Riding with the wind.

When I'm sad, she comes to me

With a thousand smiles, she gives to me free

It's alright she says it's alright

Take anything you want from me,

Anything.

Fly on little wing,

Yeah yeah, yeah, little wing

Jimi Hendrix

I love Sting's version of Little Wings.
