Daily Photo: Cigar Store Indians of Orange County

I love [Cigar Store Indians](#) and started snapping pictures of them throughout Orange County about a month ago. Here are three; in Orange at the Circle, in an antique store in San Juan Capistrano, and in Frontierland in Disneyland.

Thanks to the magic of BLIP.fm, I am able to post a song and you are able to listen to it—free. If you aren't familiar with BLIP.fm, it's a bit like the love child of iTunes and Twitter. It's a community of people who love music but, it's also like a jukebox, playing the songs you choose—again, for free.

When you add DJ's to your group, you can listen to their music as well—did I mention it's free? If you want to join me there, click on the big, yellow BLIP.fm button and get yourself distracted by yet another social network. Seriously, [Facebook?](#) How two months ago...
