

Confession No. 9 : The Slip

I wore my seven-year-old daughter's slip all day today without ever realizing it. This is embarrassing because:

a.) My daughter is the one who pointed it out to me. I didn't even notice, though I was readjusting all day.

b.) I think I'm the only girl over ten-years-old who even wears a slip anymore. What can I say, "I'm modest."

c.) I was wearing jeans.

d.) Just kidding about "c"
