

Daily Photo: The holiday season is waiting

This picture was taken today at Target— where the holiday season is already stocked and ready to go behind the 30 percent off pumpkins and gargoyles. (Is it possible that flamingo with the santa hat is \$44.99? Is that really possible? Join me and buy handmade this season!)

Listening to today: Matt Costa's "Sweet Rose."

You can go to my [BLIP.fm](#) to listen to what's on my playlist.
