

Daily Photo: The “Way 2 Fast” shop

The “Way 2 Fast” shop in the Orange Circle (or The Plaza if you like) is Way-2- Cool-a-place not to take a little boy. John, the owner, has assembled the most mind-boggling array of Pez, Hot Wheels, tin lunch boxes, and bobble heads I have ever seen.

My son collects Pez dispensers, so a trip to Way 2 Fast is almost always the answer to “What do you want to do today?”

Follow it up with a stop by Watson’s for a shake at the counter and it is the perfect 4-year-old date.
