

# Dishy Looks in The New Boden

☒ I LOVE to shop the clothing catalogue Boden USA , Here. Everything I have gotten from them has been well-made and beautiful. Because it is a British outfit (pitiful pun), they charge no sales tax and always have some kind of free shipping and free returns deal. If you order their catalogue, you will receive many (many) 15% offers as well. So no sales tax, free shipping, free returns and 15 % off—excellent!
