

Dude Ranch at Kay El Bar

We just got in tonight from Kay El Bar and even though I was exhausted, dusty and I'm pretty sure smelly, I couldn't wait to make this video from our trip. It's set to the tune of Plain White T's 1,2,3,4, which matches perfectly the mellow, happy-go-lucky feel of the ranch. Even the cowboys got into the act on this one...

Photos are on their way. Hope you all had a wonderful Easter!
