

Gotta Whole Lotte Love

Dutch video artist Lotte has just released her new “Fanvideo” on YouTube and she has topped herself with this one. I wrote about her and the YouTube craze of “FanVideos” here: I Want My Jane Austen....now that you have been introduced, here is her latest featuring the movie Atonement:

****This is very romantic and beautiful***It might damage the eyes of some males*****

Atonement, Teardrop

If you have a YouTube account, you can subscribe to Lotte’s channel here. She is featuring a Simple Mind’s Video right now...If you didn’t even know you could have a YouTube account, then never mind.
