Gotta Whole Lotte Love

Dutch video artist Lotte has just released her new "Fanvideo" on YouTube and she has topped herself with this one. I wrote about her and the YouTube craze of "FanVideoes" here: I Want My Jane Austen...now that you have been introduced, here is her latest featuring the movie Atonement:

This is very romantic and beautiful*It might damage the eyes of some males***

Atonement, Teardrop

If you have a YouTube account, you can subscribe to Lotte's channel here. She is featuring a Simple Mind's Video right now...If you didn't even know you could have a YouTube account, then never mind.
