

Hannah's in Santa Ana

Today, like most of you, we ran errands; got the kids hair cut, dropped off the dry cleaning, scheduled Larry's tattoo...what? Oh, that isn't what you did today, scheduled a tattoo for your husband?

We actually had to re-schedule his appointment with Sid at Sid's Tattoo in Santa Ana. We did have it scheduled on Feb. 9th, but (this is like most of you) we are going to Professional Bull Riding at The Honda Center that day—yes, I am bringing a book to read.

While there I finally got a chance to poke around at Hannah's, just next door to Sid's, and I am glad I did.

It is a little boutique with things for kids and some women's trinkets as well. I got this "S" necklace by Lady Katie.

You should go, but call first, her hours are what the hours would be if I had my own store (You know, short and negotiable.)
