

You Can Tell Everybody, This Is Your Card

Happy Anniversary Larry.

This is your card. I bought you a card, but it is in the back of my car and I would have to open the garage door to get it out. That would wake up the kids. Since I won't see you tomorrow, I won't be able to get it to you on our actual anniversary. So please accept this as your card. I can't remember what was on the card I got you, so I have composed some cards of my own:

"What was the name of that place we got that really good cookie that you said tasted like Fruit Loops?"

I look forward to not remembering thing together. Happy Anniversary

"I will never not kiss you because you have puppy breath."
Happy Anniversary.

"Let's Hoe-Down" Happy Anniversary

I love you!
