

Lovin' both of you is breakin' all the rules...Craig Ferguson and Ira Glass on Letterman tonight

You should be well aware that I equally love Ira Glass of "This American Life" and Craig Ferguson from "The Late, Late Show."

Both are on Letterman (who is no slouch himself) tonight.

(must stay awake...must stay awake...)

I wrote about Ira when he was coming to speak at The Barclay—
Ira Glass is coming to the Irvine Target.

I also wrote about Ferguson, my sitcom husband— Craig Ferguson
now officially funniest American.

"...Lovin' both of you is breakin' all the rules..."
