

Men weren't meant to ride with clouds between their knees

We are off to the Disney Cruise tomorrow. We go to The Disney World Resort first for two days and then board the Disney Wonder on Easter Sunday.

I am hoping to be able to post a least one picture a day.

I don't like to fly, so my stomach is already in knots thinking about the five hour flight to Florida. I try my very best not show my kids I 'm scared, but I am certain it's on my face. Hiding my feelings isn't one of my talents (I know you are shocked by this news).

Larry always talks me through it. "That's the doors closing," he calmly assures me, "That's just turbulence."
