

Coming back from the holiday weekend, brutal.  
Since I only have enough inspiration for one post today,  
I wrote this for MomCrush, well I more ask you this:  
What's your favorite Disneyland Treat?  
If you have one, please hop on over and tell me what it is. I  
might try it next time I'm there and the line is too  
ridiculous in front of the Tiki Room.
