

Oh Etsy...Stop it!

Another talented maker of handmade things. I was looking for a cosmetic case to use in the upcoming issue of Broughton Quarterly—for a layout I want to call B.Y.O.S. (you know Bring Your Own Spa) and I came across these from Watanwatan.

Wristlet, \$23

Coin Purse, \$12

Cosmetic Bag, \$17

Not sure which one will work best, guess I have to order all of them...
