

Random Weekend

I love this Blog, The Sartorialist. Picutres of stylish people on the streets of NYC (and sometimes Paris.) I peek in daily...

Chronical Books will let you send e-postcards with images from some of their most famous books.

"DQMOT, U R ZZZ," No idea what this text is telling you? You need AIM's Acronyms Dictionary, so you will know whether to SFETE or, well, not SFETE. I still think LOL should mean Lots of Love. ***I have a terrifying story about my misinterpretation of LOL which involves an email from my old, Lou-Grant -grumpy, boss. I'll tell it to you sometime.***

From the A.V. Club Website (which rules): Movies & lyrics: 19 movies anchored by a single artist's songs.

Craving Anthropologie, just so you know, you aren't the only one...
