

Soaking up the sun in Florida

I just wrote something on The Mom Blog at ocregister.com. It will post on Saturday at 7:30 am: OC Moms getting their just rewards in Florida.

There we are, Jana, Jill and I lounging at the “beach” at the not-at-all-tacky Dolphin ~~Hotel~~ Resort. (Note slight sarcasm in tone...will explain...later.) As you can see, I have ditched the purse. I heard your shrieks of horror and have replaced it with a backpack (and NO I will not post a picture).
