

The IT Crowd

I think the British TV show “The IT Crowd” is hilarious, but everyone I have sent the link to doesn’t think so. Please watch, if you have 20 minutes (and if your Vicki and at work, you do), and let me know if you think it is... well, funny:

(The Work Outing, part 1)

(The Work Outing, part 2)

(The Work Outing, part 3)

Joel McHale is going to be in the U.S., NBC version of “The IT Crowd,” starting *Midseason* , whenever that is. I can’t wait...
