

“Were you a kid in Orange County in the 70’s?”

In the Orange County Register I wrote this list of all the things you might remember if you were a kid, growing up in Orange County in the 70’s. Even if you didn’t grow up here, some of the things you might remember.

[Click here to read it...](#)

Make sure to take the time to look at the 50 or so reader’s comments. There are some great memories in there, too.
