

Barefoot Gypsy Girl

Carrie at Barefoot Gypsy Girl asked to do an interview with me for her excellent, informative and stylish blog.

Blush** Me? **Really? **What am I going to say? **Lots it turns out...

Head on over to her blog, bookmark it too. She is seriously sweet, smart, chatty and fun: Barefoot Gypsy Girl.

You and I will talk later about the whole "writing a treatment for a sitcom" thing I mention.

Thanks Carrie! You are certifiably delusional to think I am interview worthy, but, thanks for the vote of confidence.
