Orange County Daily Photo: Patchwork: indie arts and crafts fair

Today at the Patchwork: indie arts and crafts fair.

Urban garden. I love this part of town.

I want! I didn't get. But I want!

Isn't this a sweet picture of a couple and their baby walking from one part of the fair to another?

It reminds me of that song, "Man and woman had a little baby…"

Today I'm listening to that very song, Schoolhouse Rock's "Three is a magic number." You can go to my BLIP.fm to listen to all my daily songs.
