

Holiday Cards by Bluhm Studios

Heather, the enormously talented artist at Bluhm Studios has created some beautiful Customized Holiday Cards. You can order these two sided, fully customized cards with your own photo and greeting.

View Heather's Card Gallery Here!

I am ordering them for our family's holiday cards this year. Contact Heather (soon) by email through her site. You don't *have* to send the cards you bought on sale at Target last January. Support local artists this year!
