

“When You Care Enough To Hit Send”

Recently, a friend of mine (Hi Erik!) sent me a very snide, rude and basically insulting e-card from Someecards.com. Naturally, I loved it and proceeded to serially send them to all of my friends.

Here are some of the cards I sent:

To Jill:

To Vicki:

(She didn't find it amusing)

BTW- there are some pretty racing cards (in subject matter) on this site , so you might want to look at it after young heads are firmly on pillows.
