

Friday Fives: Some Etsy

I'm not an artist, but I swoon at the sight of some of the talented artists at Etsy. Here are some of my favorites:

1.) My friend Annie's shop Wexford Girl.

2.) Marisa's store Creative Thursday.

3.) The greatly talented Elsita.

4.) Nesta home.

5.) The fun and creative jewelry of So Charmed.

6.) (for extra credit) The haunting and beautiful photography of Elle Moss.

If you have some favorites at Etsy please share on your blog. I found a few of these through Blah Blah Blog. I will post more later...
