

# The Mom Blog At ocregister.com: Mommy's Mind Is Not A Toy

Pushing forward my efforts to be everywhere, I have started to blog for The Mom Blog on ocregister.com. Please take a look: [Here](#). It is a collaborative blog that will appear daily in the Life Section of the online paper. (*Online paper: I think I have stumbled on a modern paradox. Yeah!*)

Meet the supremely insightful cast of blogheads: [Here](#). My blog is called "Mommy's Mind Is Not A Toy."

The illustration was done by the cute and talented (not an easy combo to pull off) Lisa Mertins.
