

Front page for “The (more) Real(istic) Housewives of Orange County”

Yesterday I was hit on over 9,000 times!

My post from The Mom Blog was plopped right smack dab on the left side of the home page of the ocregister.com...wait, I feel a link coming on... The (More) Real(istic) Housewives of Orange County...yep! there it is.

There we are, my girlfriends and I at The ARTbar The ARTbar in downtown Santa Ana. (You can read my post about that day at the ARTbar’s Breast Cancer Fundraiser here.)

A day at the ARTbar followed by lunch at The Gypsy Den is a day you throw on your pink hoodie and flip flops and prepare yourself for a little OC exile...Who knew we were going to have 9,000 people looking at us when we had that picture taken?
